**Ngā Rerenga Kōrero-
 Māori Phrase of the Week**
tangata/tāngata: person/people

He tangata pai koe.
You are a good person.

Ra whanau kia koe to Joaquin who celebrates his birthday on

Saturday, and happy birthday to Frank who celebrates his birthday on Sunday.

Kia ora te whānau,

Farewell to the Mauck Family

This week we farewell the Mauck Family. Devyn & Dylan and their family will be greatly missed by us all, and we wish you well as you begin your new chapter in life.

Board of Trustees Elections

The voting for Board of Trustees members is now open from 29th of May until the 7th of June. You should have received your voting papers in the mail by now and if you haven't you can get new copies from our school office. Below are messages from the five candidates that are standing for the four parent elect positions. Please make sure you take part in this very important process.

I'd also like to thank two current board members who are not standing in this election, Janet Valentine who has competed ten years as a parent elect on our Board, and Brendan Reidy who has completed 3 years as a proprietors representative. We have been very blessed to have your talents on our Board of Trustees. Thank you for your service.

Ngā mihi nui, Tania Savage

Our Candidates

Steve Honiss

I'm currently a parent rep on the Board, having joined last year. My daughter Maddy is in year 7 and son Max has started at St Pats this year after finishing up in year 8 at CMcK last year. I am the Chief Information Security Officer for the Parliamentary Service and have a strong interest in digital safety. I spent most of my career as a police officer.

I am standing for election this year because I want us all to support our school in being a great place for our kids to grow and develop. I believe that all families should contribute in whatever way they can to do that, whether it be through governance on the Board, helping support the PTA with fundraising events, getting our hands dirty at working bees, or turning up for school events.

Mike Hartley

My son Elijah Hartley is currently at Cardinal McKee Fry, and with my daughter scheduled to start in 2020, I'd love to join the Board of Trustees.

I have been an HR professional for over 10 years, and believe I could contribute to the board to further strengthen decision making that supports the school's vision. Thank you for your consideration.

Lucy Hall

My kids, Chloe and Antoine Touzard, are thriving at Cardinal McKee Fry School and I've enjoyed being part of the school board for about a year.

With a background as a journalist and producer (RNZ & Reuters), I'm now working in communications (Ministry of Health).

Being on the board has given me the chance to help support our school community in a practical way.

It's also given me the chance to find out more about our school and what makes it such a special place.

Madeleine Laracy

The attraction of the board for me is that it provides an opportunity for me to learn as well as contribute to a team. I have senior management experience, have a long history as a committee member of a charitable organisation, and am legally trained. I think I would enjoy learning more about our school, and developing new skills and knowledge from participating in the governance of a school.

Duncan Scott

My name is Duncan Scott, parent to Lily and Bobby, and husband of Rachel. Rachel and I are strongly committed to supporting our wonderful little school to thrive and develop. Rachel is a member of the PTA, I have been a member of the Board of Trustees since 2016. In January 2017, my fellow Board members elected me as their chair; I take this huge responsibility very seriously, and I believe I have contributed to the many successes and achievements of the school during that period. In Tania, we are blessed with a committed, dedicated, passionate and dynamic principal and leader of our school. Over the last three years I've forged a strong and resilient relationship with Tania, which I consider crucial to the wellbeing of our school community and to our excellent academic outcomes. Ours is a relationship built on trust, but which is also challenging and robust. We are able to have open conversations about what's best for our Tamariki, Whānau, parents, teachers, staff, trustees, parish and the wider community. These conversations can bring differences in view points, and sometimes conflicting objectives and expectations; but these conversations are also vital for the proper governance of any school, and our strong relationship means we are able to navigate our way through these challenges in a positive and constructive manner.

I have a long history of working in the Education system; back in the UK, I spent over five years as a Board member at a large inner city college, and here in New Zealand, I spent two years as deputy CFO at the Ministry of Education. I believe the experience and insights I bring are a key component of the success of our Board.

My current role as Plunket's Chief Commercial Officer continues my commitment to serving and supporting the children of New Zealand. I hope you will support me in continuing to support our amazing Cardinal McKeefry school and community for the next three years.

Thank You

A BIG shout out to David Aldred for our latest school improvements. Thank you to **CARTERS** for supplying the decking for the playground and to **Ferndale Furniture** for supplying the very smart cloakroom covers outside Rooms 3 and 4. David & Antonio Ybarra spent several hours down at school last weekend replacing the playground decking - tino pai boys!

Otari Parish News Otari Parish Pentecost Celebration

10am Mass at St Teresa's Church Karori, followed by shared lunch and entertainment

On Sunday 9 June Otari Parish celebrate Pentecost Sunday with ONE Parish Mass (The 8.30am Mass at St Thomas More is cancelled that day). This is an opportunity for all the Mass communities to be together as one. It also is a time to recognise our diverse cultures and socialise after the Mass. You are invited to come in national dress and bring along food to share, if possible from your own country. There is a parish shared lunch and an afternoon of entertainment and celebration after the Mass. Cardinal McKeefry School will be providing two Kapa Haka items – as many students as can attend required.

Candle Light Mass for Victims of Bombings in Sri Lanka

St Teresa's Karori Saturday Vigil 5.30pm 1st June

Please join Cardinal John, Otari Parishioners and people from the Sri Lankan Community for this special Mass.

GARDEN TO TABLE

GROW, HARVEST, PREPARE, SHARE

STAR BAKERS OF THE WEEK

Poppy, Odette and Clementine cooked the lemon drizzle cake from garden to table with their grandma when she visited from Australia this weekend

JJ with his finished batch of Anzac cookies....yummy.

During the long weekend...
 it would be a good time to do some cooking to share with your whanau—please remember to send in your photos of you cooking. It would be great to have some pictures from all the different classes in the newsletter next week. There is a copy of all the recipes the GTT team have made so far available at the office if anyone has a request for a certain dish.

This week GTT got a very exciting package in the mail. We have been sent 2 jars of Manuka honey from **The True Honey Company**. We have now started looking up recipes that use honey. We are all looking forward to tasting it. We are very grateful to receive such wonderful gifts for our pantry.
