## Catholic Character

### Mothers Day

As you gather with your families' this Sunday to celebrate Mothers Day you might like to share the following prayer together:

*Holy Mary*

Holy Mary,  
 Mother of Our Lord Jesus,  
 Hear my prayer for my own dear mother.  
 Take her hand as I hold her in my heart and mind.  
 Let the strength you have known as a mother fill her body.  
 Let the devotion you feel for our Lord fill her heart.  
 Let the grace that surrounds you fill her spirit.  
 Holy Mary, may your divine presence  
 In my mother's life, today and every day, bring her joy  
 And peace forever.  
 Amen.

## Board of Trustees Election 2019

Tomorrow marks the beginning of the nomination period for the upcoming Board of Trustees. All four elected positions on our BoT will be filled through this election process. As our school is a state-integrated school we also have three proprietors representatives that will be reappointed by Cardinal John Dew. Proprietors representatives are present to ensure the safeguarding of our Catholic Character along with the elected members. Please feel free to approach our current Board members should you like to know more about being a BOT member.

Ngā mihi nui, Tania Savage

## School Swimming Sports

**Tomorrow Friday 10<sup>th</sup> May** we are taking part in our school swimming sports at Keith Spry Pool in Johnsonville. Makara and Clifton Tce Schools will also be joining us for the event. A big thanks to all the parents who have offered to help on the day. If you are taking on a job could you please be at the pool by 12pm so that we can assign the jobs and explain what needs to be done. Todd from Easyswim will be there to assist with the event and he will explain how everything works and what needs to be done.

**The students have been asked to bring 2 towels for the event-** One will be for sitting on and the other to dry themselves with. Students will have lunch before they leave but will need to take a snack with them for the afternoon. The swimming sports should be a lot of fun and we are all looking forward to the event and whanau are welcome to come along and watch the racing.

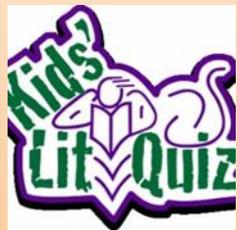

## School Cross Country

**On Tuesday 14<sup>th</sup> May** we are holding our School Cross Country over at Ian Galloway Park. The event will be starting at 9.10am. The students will be running in their year groups and we would love to have whanau come along and offer support. As the park may be muddy it would be good if all students had sneakers for the event and then change back into school shoes when they return to school. Older students are welcome to come to school in their PE uniforms but must have their uniforms to put on afterwards.

## Matariki Celebration

Our school after dark Kai and Korero Matariki Celebration will be held on the **12<sup>th</sup> of June** from 6:30pm. Come and enjoy Matariki stories, songs and soup from our Garden to Table kitchen. Last year was such a success with families bringing their evening meal to share in the hall and getting a chance to meet new members of our community. Matariki is the name for the time of year when the Matariki star cluster appear in our southern skies and signifies the beginning of the year for tāngata whenua. You may know this star cluster as Pleiades.

### Kid's Lit Quiz

A team of 4 students from Room 1, Cardinal McKeefry School, have been preparing to compete in the Wellington Heat of the Kid's Lit Quiz. Since being chosen in March Lucas, Alisha,

Dominic and Jamie have been Reading.... Reading ..... Reading! Then came the Wednesday practices with Estelle in the library. Finally the day for the competition arrived on Tuesday 7<sup>th</sup> May. Unfortunately, on the day

Jamie was unwell, so they would be competing as a team of 3. They excitedly entered the iCentre at Samuel Marsden School and joined the 52 other teams. Estelle discovered that there was a reserve for the Mount Cook Team and so Mananya was able to join our team. It was a win-win because she got to participate and we had a full team. Answering 10 rounds of 10 questions ranging from Topics such as Food, Hobbies, Hats, to Literary Knowledge they conferred and wrote an answer for every question. Their best round was 'Gods and Goddesses' with full marks. There was a sudden death with 14 other teams in that round also having 10 out of 10. Dominic was first up with his hand and answered the Quizmaster's question correctly winning Whitcoulls vouchers for the whole team. The team were proud to score 78.5 and being placed 13<sup>th</sup>.

**Congratulations to the CMcK Lit Quiz Team for representing our school so well.** *By Lucas & Dominic*

## GTT COOKING COMPETITION

We had another student doing fantastic cooking again during the weekend. Nico made an awesome feijoa crumble based on last weeks recipe and from the pictures it looked like he was a confident cook who produced a wonderful dessert for his family. Tino Pai Nico.

## The Garden Group

The sun was shining again this week and the gardens and the gardening team were very busy. We even had visitors from R4 who had been growing beans in the classroom. The seedlings have got so big that they need to be planted outside. It was great fun hearing the R2 gardeners sharing their knowledge as they explained how to a dig hole in the soil and plant the beans. Good job gardeners. The beans have been planted in the garden out the front of the school so please have a look next time you are in the playground.

*Yesterday I planted my seed. It was good because I got to put it in the hole. We had to stay on the cardboard so we didn't step on the plant and didn't get mud all over our shoes. I liked planting my bean because it was ready to grow. Each day we watered them in R4 but now they are in front of the library and everyone can see them. I hope it will grow into a beanstalk and so tall that I could climb it. I love planting seeds in the garden and would like to do it again.*

## The Kitchen Group

Today at Garden to Table we have made ANZAC biscuits with a difference. They are called SEE in the dark ANZAC biscuits. They have grated carrot. During WWII there were too many carrots in the UK so carrots were added to lots of cooking. Rosemary and Poppy seeds are symbols of remembrance and are also in our biscuits. In the kitchen Poppy and Ava were melting golden syrup, sugar and butter to make the sticky gooey syrup to add to the dry ingredient mix for the ANZAC cookies. Donny helped them and it smelled amazing!!! The colour of the melted ingredients looked like the sunset! T w o other groups were mixing the dry ingredients that were flour,

oats, cinnamon. Another group with Estelle was making biscuits that had a twist in it. Instead of using butter for the vegan cookies we used oil! We had apples for a side dish! It was a fantastic meal. *By Ava & Bobby*
